Brilliance of my fleeting mind  
Chimes like voices in foreign caves  
Chimes in time  
Takes me where I'm going  
Alone my fleeting mind is knowing  
Believe it when I pin it down

That's not hard to forget  
With my hands upon my knees  
You will steal from my fleeting mind  
Remember all our words  
They are just smoke rings in the rain  
That's just a poem in brilliant places

But poets, they are too grim  
They steal like party thieves from crowded rooms  
To rhyme their homes with better places

The brilliance of their minds  
Will seek with never knowing  
Alone my fleeting mind is knowing  
Believe it when I pin it down

That's not hard to forget  
(Hard)  
With my thought like sifting leaves  
I believe in my fleeting mind

The brilliance of their mind  
Seeks with never knowing  
Alone my fleeting mind is showing  
Believe it when I pin it down

That's not hard to forget  
And that's not hard to forget  
That's not hard to forget  
That's not hard to forget  
Alone my fleeting mind
