[Chorus] Nelly+ Snoop  
If I didn't have no dough, would you love meeee?  
If we didn't have a place to go, would you still be  
therrrrre?  
Or would you leave me alone, when the chips are  
dowwwn?  
Or would you stay around, and beeee down  
Oh girl!  
I gotta have a chick like you  
I gotta have a girl like you  
I gotta have a chick like you  
I gotta have a girl like you

[Nelly]  
Eh..eh, eh, eh

And then what we do (What we do?)  
You take the one in the white, I take the one in the blue

[Snoop]  
Ay yo, I don't know if you been told  
But, you look like you should be gold  
You're so precious, the way you shape up  
I'm just here to help you step ya game up

[Nelly]  
You look like you might ride for me (you know)  
Hop in front of the bullet and die for me  
'Cause when I fly, you be fly, you'll be fly wit me  
And when I fly to other countries, you gone fly wit me  
Come on

[Chorus] Nelly+ Snoop  
If I didn't have no dough, would you love meeee?  
(Would you love me, girl?)  
If we didn't have a place to go, would you still be  
therrrrre? (Would you still be there?)  
Or would you leave me alone, when the chips are  
dowwwn? (when the chips are down)  
Or would you stay around, (oh, oh) and beeee down

I gotta have a girl like you (Yeah, yeah, yeah)

[Snoop]  
Now once the night winds down, and the weed gets  
low  
Players still playin', and I'm still on a float  
I groove to the beat, 'til my feet get tired  
I just want to be your desire  
Eva Knieva, best believe-a  
Your not a dime piece, your a diva  
Take it from me you can be the, O-N-E  
If you roll wit me

[Nelly]  
Now if looks was the case, baby girl'll be federal  
The top half - incredible, the bottom half - edible (huh)  
I ain't telling you what I heard, mayne I'm telling you  
what I know  
And I ain't telling where to stay, or where to go  
And, if she, want me, we'll take a trip down, wit the

homie  
The D-O-double-G  
And if I'm lonely, jump from a lil' town  
And it's low-key, and guess who wear the crown  
(Whoo!)

[Chorus] Nelly+ Snoop  
If I didn't have no dough, would you love meeee?  
(Would you love me, girl?)  
If we didn't have a place to go, would you still be  
therrre? (Would you still be there?)  
Or would you leave me alone, when the chips are  
dowwn? (when the chips are down)  
Or would you stay around, (oh, oh) and beeee down  
Oh girl! (Oh!)

[Outro] Nelly \*fade with beat\*  
Clap ya hands everybod-y  
Everybod-y, clap ya hands  
And if ya came to party wit the D-O-double-G, and the  
N-E-double-L-Y band  
I said.  
Clap ya hands everybod-y  
Everybod-y, clap ya hands  
And if ya came to party wit the D-O-double-G, and the  
N-E-double-L-Y band
