Hello monday my old friend
I come with you to talk again
And then again I'm still waiting
There's no point in hanging on
Watching the sun go down
Spinning round and round

Ah... monday morning
I don't know if you are coming
Ah... monday morning
I don't know if you are coming

Hello monday my old friend
I come with you to talk again
And then again I'm still waiting
What's point in hanging on
Watching the sun go down
Spinning round and round and round and round
Ah... monday morning
I don't know if you are coming
Ah... monday morning
I don't know if you are coming for me
Oh for me, for me...
Ah... monday morning
I don't know...

What's the point in hanging on
After the sun is gone
I'm hanging on and on and on and on

Repeat chorus 1
