So I said I'm on the roam, so I need a car
And I know that I'm gettin' alive
And I say I got faith and a season
And I say that's where I'm goin' to

I get a need and I'm wantin' to please it
I got a face and I'm wantin' to feel it
The more I feel is the more that I need it
The more I need is the less I believe it

So I've got a good love by my side
Keep on gettin' out of love and my pride
Oh, I know keep hurtin' my love, yeah
But I swear it ain't killin'

Get a need and I'm wantin' to please it
Got a face and I'm wantin' to feel it
I feel is the more that I need it
All I need is the less I believe it

So I said I'm on the roam, so I need a car
And I know that I'm stayin' alive
And I say I got faith and a season
Well, I say that's where I live

I get a need and I'm wantin' to please it
I got a face and I'm wantin' to feel it
The more I feel is the more that I need it
The more I need is the less I believe it
