I'm so tired of workin' everyday
Now the weekend's come, I'm gonna throw my troubles
away
If you've got the cab fare, Mister, you'll do alright
I want to see the bright lights tonight

Meet me at the station don't be late
I need to spend some money and it just won't wait
Take me to the dance and hold me tight
I want to see the bright lights tonight

There's crazy people runnin' all over town
There's a silver band just marchin' up and down
And the big boys are all spoilin' for a fight
I want to see the bright lights tonight

Meet me at the station don't be late
I need to spend some money and it just won't wait
Take me to the dance and hold me tight
I want to see the bright lights tonight

A couple of drunken nights rollin' on the floor
Is just the kind of mess I'm looking for
I'm gonna dream till Monday comes in sight
I want to see the bright lights tonight

Meet me at the station don't be late
I need to spend some money and it just won't wait
Take me to the dance and hold me tight
I want to see the bright lights tonight

Take me to the dance and hold me tight
I want to see the bright lights tonight
