Sonny went and flipped away and said, "He had to go"
How could you ever say he never stayed alone?
And how could I belong with anyone you know?
Come on every line's a line I'll never know

Oh, it's a beautiful thing
Oh, it's a terrible thing

Sometimes, I can get along alone enough
Backing everyone away and never have enough
And how could I be playing every line for you?
Look at the things today that I can never choose

Oh, it's a beautiful thing
Oh, it's a terrible thing

Sometimes, I could never ever ever fade again
Sometimes, I could never ever ever fade again
Sometimes, I could never ever ever fade again

And how could I be playing every line for you?
Look at the things today that I can never choose

Oh, it's a beautiful thing
Oh, it's a terrible thing
