Lyrics for Song: My Brother Sarah - Sway (Re-Issue) B-Side

Lyrics for Album:

[Buy " " CD]

My brother Sarah  
Doesn't know what clothes to wear  
It's a dilemma  
To get the stuff to match your hair

But mother and father  
Sister and brother  
Say they just don't know

My brother Sarah  
Really wish you understood  
Why he's got to show it  
For it to be any damn good

But mother and father  
Sister and brother  
Say they just don't know

My brother lies awake at night  
Wishing this world could just be right

But mother and father  
Sister and brother  
You and all the others  
Say you just don't know
