My brother Sarah
Doesn't know what clothes to wear
It's a dilemma
To get the stuff to match your hair

But mother and father
Sister and brother
Say they just don't know

My brother Sarah
Really wish you understood
Why he's got to show it
For it to be any damn good

But mother and father
Sister and brother
Say they just don't know

My brother lies awake at night
Wishing this world could just be right

But mother and father
Sister and brother
You and all the others
Say you just don't know
