Gonna sail on my boat and keep it afloat forever  
Nobody's gonna tell me how it won't stay together  
I got a waiting ticket won't you sail it?  
Nobody's who's staying asleep knows what I'm saying

Going to throw out a rope and keep it afloat it's granted  
And call it Cressy Freedom, Independence or Tansy  
I'm gonna wake and take us all to where, oh  
Nobody's gonna talk me down by stormy weather

Gotta sail my boat  
Got to keep afloat  
I get the need to keep on when I'm sailing

I'll sail across, don't make it a choice I'll plan it  
Nobody ever thought you wouldn't take you for granted  
I'll tie the ropes that keep me afloat and sailing  
Nobody ever taught me, teach me what I'm playing

Gonna lift up my voice and sing you a song romantic  
And call it Cressy Freedom, Independence or Tansy

Gotta sail my boat  
Got to keep afloat  
I get the need to keep on when I'm sailing

Hold on in love take it to where you never  
Nobody's gonna tell me how it won't stay together  
I've got a freedom ticket let's go sailing  
Nobody's who's staying asleep knows what I'm saying

Gotta sail my boat  
Got to keep afloat  
I get the need to keep on when I'm sailing

Gotta sail my boat  
Got to keep afloat  
I get the need to keep on when I'm sailing
