Resting so alone
Way back home
Waiting for a long
Way to go
Nothing if I take you back
I'd rather never take you back for you
Waiting so fast
For a way to go
Wrestling with the past
Long way to go
Nothing if I take you back
I'd rather never take you back for you
I got more than I can have can't really say
I get more than I can use day to day
I get more time to take you back
I'd rather never take you back for you
Waiting so alone
Long time ago
Waiting so hard
On the radio
Wasting if I take you back
I'd rather never take you back for you
I got more than I can have can't really say
I get more than I can use day to day
I get more time to take you back
I'd rather never take you back for you
