Lyrics for Song: The Seventh Floor - Do Yourself A Favour B-Side

Lyrics for Album:

[Buy " " CD]

It's so nice on the seventh floor  
I'm taking you there ????  
I get scared I can't touch the ground  
But I feel safe when my friends come round

Ever so nice - live on the seventh floor  
Ever so nice - I'm safe ???

So much fun on the seventh floor  
Everyone laugh when you walk through the door  
I get scared when my friends come around  
I look at the walls and swallow most down

Ever so nice - live on the seventh floor  
Ever so nice - I'm safe ???

I've been to every floor  
And on every floor  
And just/still don't feel any better
