These are the days
You have been given
These are the ones
These are the ones
These are the times
We have been given
These are the ones
These are the ones
And my dreams are holding
And my heart is open
These are the times
They won't be forgiven
These are the ones
These are the ones
These are the days
Please don't forsake them
These are the ones
Is everyone
And my dreams are holding
And my heart is open
These are the ones (x4)
And my dreams might shatter
Still my heart it matters
These are the days
They won't be forgiven
These are the ones
These are the ones...
