Verse 1

I'm currently on an elevator headed to the moon
While I'm steadily counting paper so my thumbs about
to bruise
I guess my hustler spirit is what keeps me on the move
And my bank account is gaining weight from how much
it consumes
I am just that lucky, cuz my life's that lovely
Where we roll in limousines strictly poppin that bubble
LOL HA funny how these haters mean mug me
Money didn't change me, bruh I changed for the
money. CAMPAIGN

Breakdown

Yo Lazenby man, we knew we would get to this point,
man, we knew we would. This only for my big money
ballers man, you know. We in LA right now living it up.
I'm still trying to decide between the Lex and the
Mercedes, man. This right here is the new anthem.
Yea! Campaign lets go, baby!

Chorus

Ballin' x4
Gettin paid and it just keeps stacking
Ballin' x4
Poppin tags blowin stacks in the mall, yea
Ballin' x4
We on top and we never ever fallin
Ballin' x4
So sing along if money aint a problem

Verse 2

I will never fall I'm glued on top
Dibs on the chair, no one takes my spot
Pause for a sec while I cop this drop
Funny how the groupies surround my jock
Limousine rides to the restaurant
Bill's on me, order what you want
I play no role, I don't front
Can't help I'm exactly what your girl wants
My song comes on and she shakes her butt
Sings the words her hands are up

Out in LA where some throw up, most snort up and then
go nuts
8 AM hotel wake up
We get fresh, yes, get dressed up
Walk outside and the car rolls up
Dang that dude from the 'ville came up YUP
