Verse 1

Last night I dont know what I did
Cuz I blacked out at 4 AM
Too many shots of that goose and Hen
I dnt know how I got to my crib
I just know I lived it up
I hit the club and tore it up
Stunt so hard I flash them bucks
FyÃ¼tch got superstar status
Pregame beers with my crew by the cases
By the time that we hit the party we was wasted
Started dancing with a chick all crazy
Took my shirt off, I was grinding half naked
And then thats where I all get hazy
Its like my mind erased it
Too many straight shots, should've chased it
But my God it was so amazing

Pre-Hook

This drink up in my system got me right
The music from the speakers got me hype
So I'ma act retarde for tonight
But that won't even matter cuz I'm

Chorus

Not gon remember what I did in the morning
Not gon remember what I did in the morn
Not Not gon remember who I did in the morning
Not gon remember what I did in the morning

Verse 2

Left my car and my keys
I go hard maybe thats just me
Stayed at the bar til I seen
A hella fine broad with double d's
I said my God, thats me
I was like 5 shots past tipsy
Took her by the hand said dance with a nigga
Stumbled upstairs to the VIP
Her song came on and she got so freaky
Then we got naughty, groping, squeezing
Then my memory started ceasing

Blacked out right when the night was peaking
One thing I recall was drinking
If you can't hang with the gang, you're a weakling
Next thing I knew, I woke up tweaking
Mind gone blank from the whole dang weekend

Pre Hook

Chorus
