Bounce, bounce, just another, just another
Just, just, just another party, party, party bounce
Only once, Only once come on break it once
Break it, break it, break it down with the real once

Guess who's back up in this muthafucking game
Still da same, F-T-M, that's still my name
I brining the pain together with the rain
I'm completely insane, with the rap in my vein
Oh shit, watch my gun go click
Cuz you suckaz ain't nothing but a bitch
I head now to the P-A-R-T-Y
Join me now if you prepared to roll with me
The club closing at 2, what can we do?
We like to party all night, me N you
Start drinking seven, Outta control at eleven
I thinking now that I'm waling in heaven
I'm stuck in the game, snitches ain't lissen
Lets say it's to many knives in the same kitchen
My success... will be your death
I got the red N black eagle over my chest

Bounce, bounce, just another, just another
Just, just, just another party, party, party bounce
Only once, Only once come on break it once
Break it, break it, break it down with the real once

You better lay low, cuz F-T-M say so
Making the whole population scream, go, go
So come lady, get ya ass on the dance floor
Ya want some baby, come on don't be shady
The temperature rising, no one is surprised
Cuz they know F-T-M do it once N he do it twice
Have ya seen how they shake it in the videos
I can make the shakes by some real hoes
F - t... T to the muthafucking M
Yea that's me, and who I always gonna be
This crew is full of P.I.M.P's real mc
Underground celerities... O muthafucking Gs
Skip shouts of Analeys, bottles of Hennessey
And ya know who gonna be, the rap key

I know that one day, I'm ready to shine
Like Tony Montana Said, the world is mine

Bounce, bounce, just another, just another
Just, just, just another party, party, party bounce
Only once, Only once come on break it once
Break it, break it, break it down with the real once
