[Originally by Negative Approach]

People try to tell me what they think is right for me  
Think there's some value to what they got to say  
But i won't listen to them  
I don't need their advice  
I wouldn't ever have it any other fucking way

Can't tell no one what to do [x4]

Rules are made for idiots people that can't think  
I'm treated like i don't have a mind of my own  
Stupid fucking idiots with stupid fucking ideals  
When will they ever fucking leave me alone
