It's time to wake up now
Running around this ghost town
Oh my heads tied up in knots
And fear stands beside me
As henchmen block my every glimps of hope
Oh I fear I've lost control

Good-bye cruel world
Good-bye cruel world
I hear the morning call

The sound of their voices slowly fades away with all the
clouds
And I can hear the sound of birds
Their looks of frustration powerless to find the rising
sun
Oh I open up my eyes
Yeah

Hello Sweet World
Hello Sweet World
Yea, Hello Sweet World
Hello Sweet World
The morning has arrived

The morning has arrived
Yeah
Oh

Someones gotta fight for it
No ones here to give it up
Someones gotta fight for you

Someone gotta fight for it
No ones here to give it up
Somones gotta fight for you
Oh we gotta fight for you

Someones gotta fight for it
No ones here to give it up (to give it up)
Someones gotta fight for you
Oh we gotta fight for you

Someones gotta fight for it
No ones here to give it up
Someones gotta fight for you
Oh we gotta fight for you

We gotta fight for you
Oh!

Hello Sweet World
Hello Sweet World
Yea, Hello Sweet World
Oh you've not forgot me yet
Hello Sweet World
