A little bit lost and
A little bit lonely
A little bit cold here
A little bit of fear

But I hold on
And I feel strong
And I know that I can

I'm getting used to it
Lit the fuse to it
Like to know who I am

Been talking to myself forever, yeah
And how I wish I knew me better, yeah
Still sitting on the shelf but never
Never seen the sun shine brighter
And it feels like me on a good day

And it feels like me on a good day

Been talking to myself forever, yeah
And how I wish I knew me better, yeah
Still sitting on the shelf but never
Never seen the sun shine brighter
And it feels like me on a good day

On a good day [x2]

And it feels like me on a good day
