Say one thing for sorrow; say nothing for joy  
It's a piss over our parade, the devices you employ  
Say one thing for sorrow; it never leaves me dry  
As I beg, steal and borrow; there's no tears when I cry  
But I try and try and try and try again; But I try and try  
and try and try again

But no, nothing can stop me, no, nothing at all  
I'm the entrance and the exit, the clogging will make  
you stall  
Now your conscience clear stall, now you've got so old  
It's in the way you'll never wake up; in the way you feel  
the cold

Time is running out

Looks invent a felling in a meaningless exchange  
It's a testament to perseverance; A homage to a shame  
COVER YOUR MOUTH

Time is running out

Looks invent a felling in a meaningless exchange  
It's a testament to perseverance; A homage to a shame  
COVER YOUR MOUTH

Undone and reckless is your mind  
It's up to you; trust or not trust alone  
COVER YOUR MOUTH AND HOLD IT, HOLD IT, HOLD IT  
Oh that sacred substance I crave;  
Is just another privilege I wave  
HOLD IT, HOLD IT, F-F-F-FUCKIN' HOLD IT, HOLD IT,  
HOLD IT

It's power I am drawn to;  
Its potency and flavour;  
Drives me and ignites me;  
Fuels a dirty secret

WHY CAN'T I JUST TELL?  
WHY CAN'T I JUST TELL THE TRUTH??
