SO CLOSE...

I - SEE - no ways to go
I - KNOW - no sins to show
But you can allways leave me all
You want to confess to someone.
I'll bare, I'll share all that you want
I'll heal and dry all of your tears.

SO - PLEASE - give me a chance
TO - TAKE - you for this dance
We'll make love as much as you want to

We'll reach every sky, oh so high.
I'll bare, I'll share all that you want
I'll heal and dry all of your tears.

All come to the deepest hole!!!

Grave... in your mind
Give... me your hands

Welcome to the "Oceanworld"!!!

Help me find my face
In this clownesk race

SO CLOSE...
