When the doubt disappears and the sky becomes  
clear, then you will  
grow... When your faith remains strong and your lust  
will go on, then you will  
show me how to be like you, how to fly like an angel  
and land without wings, show me please  
how I become you, how to act like an angel yet seem to  
be cruel, tell me how to be you

Promise me sunshine but end up with rain, oh how your  
words spread like poison, invincible shame, oh how  
you've SLAIN!

Promise me sunshine but end up with rain, oh how your  
words spread like poison, invincible shame, oh how  
you...

Freeze my emotions when choosing my pain, oh how  
you  
torture, then treasure, then over again, oh how you've  
SLAIN

Come in fire... pulling wires... no...  
It's that time of the year when suspicion is near...
