Got a call from my neighbor this morning  
Told me my baby was gone  
Got a call from my neighbor this morning  
Told me my baby was gone

Took the keys to my cadillac  
Left my clothes out on the lawn

Came home last night  
With a pistol pointed at my head  
Came home last night  
With a pistol pointed at my head

She said you better fess up boy  
Or i swear I'm gonna shoot ya dead

[break]

I shoulda' known something was wrong  
Something wrong been going on

I shoulda' known, shoulda' known something wrong  
been going on  
When my neighbor called  
Whoa ya  
I found out that girl moved in next door
