I can't wait to see you smile
I can't wait to hear you call me child
I can't wait until that day
When you wipe all of my tears away

Hallelujah I'm where I belong
Hallelujah I'm in your arms
I'm dreaming of that day
Where I see you face to face

Hallelujah I'm where I belong
Hallelujah I'm in your arms
I'm dreaming of that day
Where I see you face to face

Here's where I understand your unconditional love
I never want to leave to leave your presence God
You have my heart

Your love has captivated me
Your love has captivated me
Your love is captivating me

I can't wait to see you smile
I can't wait to hear you call me child
I can't wait until that day
When you wipe all of my tears away

Hallelujah I'm where I belong
Hallelujah I'm in your arms
I'm dreaming of that day
Where I see you face to face

Hallelujah I'm where I belong
Hallelujah I'm in your arms
I'm dreaming of that day
Where I see you face to face

A true love like never before
I'm reaching out because I want nothing more
Than you to fill me

You have my heart

Your love has captivated me
Your love has captivated me
Your love is captivating me

I can't wait to see you smile
I can't wait to hear you call me child
I can't wait until that day
When you wipe all of my tears away

Hallelujah I'm where I belong
Hallelujah I'm in your arms
I'm dreaming of that day
Where I see you face to face

Hallelujah I'm where I belong
Hallelujah I'm in your arms
I'm dreaming of that day
Where I see you face to face

Hallelujah I'm where I belong
(Your love has captivated me
Your love has captivated me
Your love is captivating me)
Hallelujah I'm in your arms
(Your love has captivated me
Your love has captivated me
Your love is captivating me)
I'm dreaming of that day
(Your love has captivated me
Your love has captivated me
Your love is captivating me)
Where I see you face to face

Hallelujah I'm where I belong
(Your love has captivated me
Your love has captivated me
Your love is captivating me)
Hallelujah I'm in your arms
(Your love has captivated me
Your love has captivated me
Your love is captivating me)
I'm dreaming of that day
Where I see you face to face...
