Verse 1:

Too young to die
But wise to see
Your purpose in this world
To set us free

Why is it fair
That you're not here
Your life to live
Your soul to give

Chorus:

Now it's my time
To see that you're all fine
I pray everyday
Pray that your soul is saved....

Verse 2:

I hope you know
What you meant to me
The times we spent
I'll never forget

But now it's time
To say goodbye
Wish we could see
All that you dreamed to be.

Chorus:

Now it's our time
And I know that we'll be fine
In prayer by day
The world will know your name....
