If only you knew,  
how my heart overflows with love for you.  
If only you could see  
the way you fill my hopes and dreams.  
You're the owner of my heart,  
the ruler supreme.  
Even in the dark of night,  
I've only to think about you  
to feel your loving light  
and from this world I drift  
feeling as if  
I'll never touch the ground again...  
If only you knew.

If only you could guess  
how I hear your voice when others speak;  
for you hold the key to my happiness,  
and it's always you my soul seeks.  
If only you could feel,  
how your very presence  
has the power to heal,  
all the wounds inside me.  
You've made me abandon  
the pain of yesterday,  
and you've shown me  
that the past can no longer  
stand in the way  
of what I hope to achieve...  
If only you knew.

If only you could realize  
the way you've shown me  
that it's better to give  
than to take,  
and whatever I do,  
I do for your sake.  
I'm willing to give you my all  
and expect nothing in return.  
But, oh how I yearn  
for you...  
if only you knew.
