

## Oceans Upon Us "Light The Skies"

Visit "[Light The Skies](#)" on [MotoLyrics.com](#)

I'd sell my soul, to see you smile  
I'd light the skies, empty the Nile  
I'd take your hands, or burn my own  
All for you

Don't fall away from me  
Don't leave me here  
Don't change the subject baby  
Leave me in fear

Please take me  
I'll find it in your heart  
We'll flee the floods  
We'll come out clean  
I'll make this all right

This is my message to you  
Ignore the voicemail  
My head is slightly damaged  
Life's had its way

I'll find it in your heart or mine

Please take me  
I'll find it in your heart  
We'll flee the floods  
We'll come out clean  
I'll make this all right

I'll find it in your heart or mine  
I'll find it in your heart

I can't find another way out  
(Another way out)  
(Another way out)  
I can't find another way out  
(Another way out)  
(Another way out)

I'll fight your wars  
We'll walk away  
I'll sell the fears before the wake

And fade out

Fight your wars

You'll walk away

I'll sell your fears before the wake

(Sing those lines to me; I was never where you wanted  
to be, never where you wanted)

Fight your wars

You'll walk away

(Sing those lines to me; I was never where you wanted  
to be, never where you wanted)
