Jo baby make me feel this way  
Make me move my body endlessly  
Jo baby make me feel this way  
Make me move my body endlessly

When I see you on the streets,  
And your poppin' to the beat.  
You make me feel this way, yeah

I see you getting down  
To this Georgee sound  
And I like to say,

Ooooh, baby, you look so good to me now.  
Ooooh, I need, I want your love so bad.

Her name is Jo (Jo)  
Pretty, funky, sexy, and can make the crowd lose  
control.  
Her name is Jo.  
Pretty, funky, sexy, and can make the crowd lose  
control.

Her name is Jo.  
Pretty, funky, sexy, and can make the crowd lose  
control.  
Her name is Jo.  
Pretty, funky, sexy, and can make the crowd lose  
control.
