I can't stop for a minute
I can't even look around
I've got my head so tied up Im not in it
can't keep my eyes off the ground
And the cracks in the pavement, mirror my heart
I don't know where to start

(Chorus)

Days turn into weeks, turn into months, turn into years
and I am Still Right Here
x2

I don't know what keeps me together
it's not just bones and skin
Just like a shelter from bad weather
it's what I grew up in
When the water is rising and it comes rushing in
Im ready to swim

Chorus
x2
