refrain2:

Come heal me
Come heal me, inside out
Come heal me
Come heal me, inside out

refrain:

I believe that you see
Everything I do
I believe in love
I believe in you
I believe that you come
Searching me from above
That's the way it is
That is the truth
(2x)

refrain3:

We will rule the world
Said servant of Satan
He just could come down
To take away you and your demons
(2x)
