So close to where you came from.
Plugged in I'm in your world now.
So lost without a map.
You drop me off on the highest mountain.
You know I'm dying out here.
Lost hope and my will to live.
In your bed, my heart is hopeless.
You're so cruel to treat me like this

Got a needle and my mouth is stitched. I'm taken in.
Everything that I can see.
You don't know a thing about me.
Not a God damn thing about me.

Timing's everything. Gotta get that shit right.
It might get tight. Breaking through that spotlight.
Chick's a game freak. Hurting all those boy sheep.
She's a wolf and I like it when she bites me

Passed out like my eyes have never opened before.
Then I left my body now I'm reading you a thought at a
time.
This ain't a privilege but a long lost right.
Close your eyes and open your mind.
Defying gravity.
Gotta give it up I'm breaking in.
These thoughts of you and me

Got a needle and my mouth is stitched. i'm taken in.
Everything that i can see.
you don't know a thing about me.
not a god damn thing about me

Timing's everything. Gotta get that shit right.
It might get tight. Breaking through that spotlight.
Chick's a game freak. Hurting all those boy sheep.
She's a wolf and I like it when she bites me

In this darkness I see colors.
This dimension ain't big enough for you and I.
You got me waiting, but your mind is made up.
Just let it go and show me what you're made of.

(what you're made of).

Timing's everything. Gotta get that shit right.
It might get tight. Breaking through that spotlight.
Chick's a game freak. Hurting all those boy sheep.
She's a wolf and I like it when she bites me
(like it when she bites me).
