Destructive mannerisms take me down the rabbit hole
Now watch me as I tunnel deeper and I lose control
There's gotta be a painless way to take this where it's

Don't make me
Don't make me go down like this...

Don't make me
Don't make me go down like this...
In flames
Don't make me... Don't make me... Go down

Don't make me go down in flames
Don't make me
Don't make me go down like this...
In flames
Don't make me... Don't make me...
Go down like this in...
