

Ghost Town "Monster"

Visit "[Monster](#)" on MotoLyrics.com

got a bottle in hand
full throttle
i'm back again
all the lives that i've wasted
this cycle will never end
got a picture of you
and the life that we knew
now the thoughts of your body is hauntin' me
it's all a show

i got a place for the wicked to go
got a mindset that nobody knows
now this evil is taking control
and where's our freedom now
in a place we never wanted to be
taking all my love away from me
soon we'll take it to the fuckin' streets
and take back our liberty

you're a monster
nobody wants her
but me
so sharpen your teeth (makes it easier to bleed)
and i'm losing my mind
in the middle of the night
when i'm hearing your screams
and you're dead asleep
it's all a show

it's all a show

i got a place for the wicked to go
got a mindset that nobody knows
now this evil is taking control
and where's our freedom now
in a place we never wanted to be
taking all my love away from me
soon we'll take it to the fuckin' streets
and take back our liberty

take back our liberty!

take back our liberty!

RAWWWR!

look what you've done to us...

i got a place for the wicked to go
got a mindset that nobody knows
now this evil is taking control
and where's our freedom now
in a place we never wanted to be
taking all my love away from me
soon we'll take it to the fuckin' streets
and take back our liberty

take back our liberty

take back our liberty

i'll take what belongs to me

ill take back our liberty

i'll take what belongs to me
