1-2-3-4... Go!

How can you sleep at night, when the sound of the  
clock is ticking away our time?  
Will we make it through the night?  
I'll believe it when I see it, and I'm blinded by the  
sunlight  
Faded through my eyes,  
I see your silhouette.  
Now the visions from last night are coming alive,  
coming alive

We're dead, we're dead, now we own the night  
We're dead, we're dead, live the dead beat life  
We're dead, we're dead, every single night  
So lets party in the graveyard.

\*CALLING ALL MONSTERS,  
ZOMBIES AND CREEPS...  
TONIGHT'S THE NIGHT FOR DREAMERS  
AND TRUE BELIEVERS IN THE AFTER LIFE  
LET'S GET THIS PARTY STARTED! \*

I take back all my poor words.  
Talk is cheap, but my mind is rich  
When I close my eyes  
You grab my wrist,  
And pull me in to your cold dead lips

In to your cold dead lips  
You're a cold heart bitch  
In to your cold hard lips  
You're just a cold hard bitch

We're dead, we're dead, now we own the night  
We're dead, we're dead, live the dead beat life  
We're dead, we're dead, every single night  
So lets party in the graveyard!

Party in the graveyard!

They say the world is ending  
What did you live for?  
Let go of all your vices  
They're just controlling us  
They say we're dead and it ends tonight  
I say, " Then lets party in the graveyard!"

We're dead, we're dead, now we own the night  
We're dead, we're dead, live the dead beat life  
We're dead, we're dead, every single night  
So lets party in the graveyard

Party in the graveyard!  
Party in the graveyard!
