For so long now I've been coming to your rescue  
Got me thinking I'll get you  
And I'm serious when I say I'm over it  
I'm over it  
And your fuckin' lies

That you'll stick around  
Stay on my side of town  
Now I'm covered in blood and I'm feeding off your  
pretty little lies

For once why can't you just come and chase me  
Dig up my grave and save my body  
Now I'm rotting to the bone  
But my hearts still beatin'  
Hopin' you won't leave me

Creepy girls you're just my style  
Blood red lipstick, you don't smile  
Falling victim to your fantasy  
Damn, I love it that you're so creepy

Now you're risking it all  
For some creepy girl  
With a blacked out rage that'll cast a spell  
Don't tempt her she's got those evil eyes

Now you're risking it all  
For some pinup doll  
Who drinks in the am  
Fucks in the pm  
Treats all the boys like she don't need em'

Creepy girls you're just my style  
Blood red lipstick, you don't smile  
Falling victim to your fantasy  
Damn, I love it that you're so creepy

Creepy girls you're just my style  
Blood red lipstick, you don't smile  
Falling victim to your fantasy

Damn, I love it that you're so creepy
