

Ghost Town

"Zombie Girl"

Visit "[Zombie Girl](#)" on MotoLyrics.com

Crawlin' up my legs
Tryin' to get a little taste
You sink your teeth in my thigh
I scream for joy
I say oh my

Blood drippin' off your mouth
You ask my why I like it
Girl you outta know
You're not just dead, but you're a psychic

You're trying to look inside my brain,
But you're not caring what I think
Just so that you could have a feast
And now you're causing all this pain
(Whoa oh oh pain)

Cause you're a zombie
You're a zombie girl
Killin' me,
Tryin' to eat my world

Zombie,
You're a zombie girl
Killin' me,
Tryin' to eat my world

My world is your world.
My girl is a zombie girl.

Cause you're a zombie
You're a zombie girl
Killin' me,
Tryin' to eat my world

I'm thinkin' back to when I first saw you smile
You pulled me in your grave you took me for a ride
You started rippin' through my chest,
Tore my heart out
I saw it beatin' in your hand as I cried out

You're tryin' to look inside my heart,
But you're not caring what I feel
Just so that you could have a feast,
And now you're causing all this pain
(Whoa oh oh pain)

Cause you're a zombie
You're a zombie girl
Killin' me,
Tryin' to eat my world

Zombie,
You're a zombie girl
Killin' me,
Tryin' to eat my world

My world is your world
My girl is a zombie girl

Cause you're a zombie
You're a zombie girl
Killin' me,
Tryin' to eat my world

Girl come and limp my way,
Show me all of your zombie ways

Show me all of your ways

You're a zombie
You're a zombie girl
Killin' me,
Tryin' to eat my world

Zombie,
You're a zombie girl
Killin' me,
Tryin' to eat my world

My world is your world
My girl is a zombie girl

You're a zombie
You're a zombie girl
Killin' me,
Tryin' to eat my world
