And when I'm in the club I keep the models light
And when I'm on the block keep my riders liek
Rider on the ball with a fist full of dollar life
I get a poppie y'all I get a poit poppin
I'm all vip... back door I get it poppin
Time to bump watch the floor I get it poppin
Hittin model shake for the score I get it poppin
Y'all I get it poppin
Y'all I get it poppin
Y'all I get it poppin

12 am I'm on ym way to the club
