As long as you're here
I'll be loving you
Whenever you go
I'll be missing you
Whenever you call
I'm gonna come running
To you

As long as you're here
Don't you ever go
You're all I know
Baby you're my home
As long as you're with me babe
Nothing can go wrong
A long as you're with me babe
Nothing can go wrong

Whenever a darkness
Fills up my life
I always know
You'll be my side
So good to have
Somebody like you
Loving me like you do

As long as you're here
Don't you ever go
You're all I know
Baby you're my home
As long as you're with me babe
Nothing can go wrong
A long as you're with me babe
Nothing can go wrong

I'll be loving you
Whenever you go
I'll be missing you
Whenever you call
I'm gonna come running
To you

As long as you're here
Don't you ever go
You're all I know
Baby you're my home
As long as you're with me babe
Nothing can go wrong
A long as you're with me babe
Nothing can go wrong
