Once in a while would you love me
Once in a while you would love me
Once in a while would you love me
The way the I love you?

Once in a while would you give me
Once in a while would you give me
Once in a while would give give me
The kind of love I give to you?

Love me the way I love you babe
Arms opened wide
Open yours too

Once in a while under a blue sky
Would you take the time to look into my eyes
Once in a while under a blue sky
Would you look into my lonely eyes?
Would you look into my lonely eyes

Ohh love me the way I love you babe
Heart's opened wide
Open yours too

Once in a while would you love me?
Once in a while you would love me?
Once in a while would you love me?
The way the I love you?

Once in a while would you love me?
The way the I love you?

The way the I love you?

I love you.
