Give us joy, give us love, give us song, give us light
Shine down on us for it's Christmas time

Through the year
It's been dark
We need some laughter
We need a spark

Take away
These broken times
Deliver mercy
Into our lives

Give us joy, give us love, give us song, give us light
Shine down on us for it's Christmas time

Shine down on us
Shine down on us

Give us joy, give us love, give us song, give us light
Shine down on us for it's Christmas time

Through the year
It's been hard
We need some music
For our hearts

Shine a light
And give us hope
Light up this darkness
We've come to know

Give us joy, give us love, give us song, give us light
Shine down on us for it's Christmas time

Shine down on us
Shine down on us
Shine down on us

Give us joy, give us love, give us song, give us light
Shine down on us for it's Christmas time

Shine down on us
Shine down on us

Give us joy, give us love, give us song, give us light
Shine down on us for it's Christmas time
