This right here's my last line of defense.
Rid my heart of this toxic romance.
These withdrawals- my skin crawls.
Starting to shake. I might brake and call (I might. Will
you answer?)
I can't deny that if you would
ask me to stay, I would say yes.
I can't accept just half of your
heart when I'm giving you my best.
Burns like fire, cry like rain.
Love the pleasure- hate the pain.
In limbo. I can't go, I can't stay.
I don't wanna love you this way.
Don't know if you think it's a game.
I don't wanna love you this way
(with my back against the wall).
I don't wanna keep it inside.
I ain't gon' pretend it's alright.
I don't wanna love you with my-
With my back against the wall.
This right here, is where i draw the line.
All you do is waste my f'in time (waste my time).
Clock keeps tickin'. Tired of wishin'.
Boy don't make up your mind Oooh
I know that you'll never...
Love me or leave- you're so deceiving.
Why can't I let you go- no.
Nightmare or dreamin'.
I'm barely breathin'- somebody wake me up!
Burns like fire, cry like rain.
Love the pleasure- hate the pain.
In limbo. I can't go, I can't stay
I don't wanna love you this way.
Don't know if you think it's a game.
I don't wanna love you this way
(with my back against the wall).
I don't wanna keep it inside.
I ain't gon' pretend it's alright, no.
I don't wanna love you with my-
With my back against the wall.
Oh-oh-oh-oh
I don't wanna love you this way.

Don't know if you think it's a game.
I don't wanna love you this way
(with my back against the wall).
I don't wanna keep it inside.
I ain't gon' pretend it's alright (Alright).
I don't wanna love you with my-
With my back against the wall.
Ooohh hmmm hmmm
Yeah.
