Wish I could turn all your sense into bullets.
Give me the trigger so I could go 'head and pull it.
So that you know it feels when you break the deal
And bend the rules to my heart.
Didn't you tell me I was your one and only?
Don't wanna see me; I'm the newest tomorrow morning.
So get back into your car- don't make it a problem.
You gon' dig you a deeper hole (Woahh).
And I'm likely to lose control (Woahh).
Don't test me.
You shouldn't have came here.
You should have stayed home, boy.
I'm not gonna take it- no, not anymore.
Boy the way I feel now, I could kill you x2
I could kill you.
Wish I could turn all this pain into power.
And if I could, I'd get stronger by the hour.
So I could hold it all back and leave you like that
Cause you don't deserve all my love.
And this ain't gon' be pretty.
I need a breather- I don't want you near me.
I need you out of my face- I need me my space, boy.
You gon' dig you a deeper hole (Woahh).
And I'm likely to lose control.
Don't test me.
You shouldn't have came here.
You should have stayed home, boy.
I'm not gonna take it- no not anymore.
Boy the way I feel now, I could kill you- yeah.
Boy the way I feel now, I could kill you- boy.
I could kill you now.
I could do it x2 (I could kill you now).
I could- I could do it. I could do it (I could kill you now).
I could do it x2 (I could kill you now).
Right now.
You shouldn't have came here.
You should have stayed home, boy.
I'm not gonna take it- not anymore.
Boy the way I feel now, I could kill you (yeah).
Boy the way I feel now, I could kill you (boy).
I could kill you now.
(Woahh) x4
