Everybody got what they paid for tonight  
They're just going with their lives  
Never feel the heat alive  
I hate to see 'em walk away!  
I always wear the better lies

It ain't right!  
Went wrestling myself,  
Reaching up for help over long, long time!  
We're getting over, drinking sober  
Looking around for something to hold on to!  
If it's not love, who'll be my cover  
Who's gonna fight for me?

Chorus:  
Will anybody fight for the fighter  
Does anybody knew where to find her  
Cause maybe I'm just here to remind ya  
Is no one told to rescue me?  
No, I'm not standing alone,  
I gotta learn to stand on my own,  
Cause I'll be the only one in the day  
Who's gonna fight for me?  
Oh, oh, oh  
Who's gonna fight for me?  
Yeah, yeah, yeah!

It's just me and my victory  
Was it really me?  
Is nobody around to see..  
What is the reason? I keep on believing  
That I will find someone to hold on to!  
If it's not love, who'll be my cover  
Who's gonna fight for me?

Chorus:  
Will anybody fight for the fighter  
Cause anybody knew where to find her  
Cause maybe I'm just here to remind ya  
Is no one told to rescue me?  
No, I not just standing alone,

I gotta learn to stand on my own,  
Cause I'll be the only one in the day  
Who's gonna fight for me?

Is there a time to be pushing it on,  
But man, sometimes I want it for me to be in it  
But baby, I'm not a queen, so I'mma stand with my...  
At the end of the day, you know that I'm gonna win it,  
yeah!

Chorus:

Will anybody fight for the fighter  
Does anybody knew where to find her  
Cause maybe I'm just here to remind ya  
But who's gonna fight for me?  
Will anybody fight for the fighter  
Does anybody knew where to find her  
Cause maybe I'm just here to remind ya  
I know it's gonna rescue me!  
No, I not just standing alone,  
I gotta learn to stand on my own,  
Cause I'll be the only one in the day  
Who's gonna fight for me?
