Here's to the state of Mississippi,
For Underneath her borders, the devil draws no lines,
If you drag her muddy river, nameless bodies you will
find.

Whoa the fat trees of the forest have hid a thousand
crimes,
The calender is lyin' when it reads the present time.
Whoa here's to the land you've torn out the heart of,
Mississippi find yourself another country to be part of!

Here's to the people of Mississippi
Who say the folks up north, they just don't understand
And they tremble in their shadows at the thunder of the
Klan

The sweating of their souls can't wash the blood from
off their hands

They smile and shrug their shoulders at the murder of
a man

Oh, here's to the land you've torn out the heart of
Mississippi find yourself another country to be part of

Here's to the schools of Mississippi
Where they're teaching all the children that they don't
have to care

All of rudiments of hatred are present everywhere
And every single classroom is a factory of despair
There's nobody learning such a foreign word as fair
Oh, here's to the land you've torn out the heart of
Mississippi find yourself another country to be part of

Here's to the cops of Mississippi
They're chewing their tobacco as they lock the prison
door

Their bellies bounce inside them as they knock you to
the floor

No they don't like taking prisoners in their private little
war

Behind their broken badges there are murderers and
more

Oh, here's to the land you've torn out the heart of
Mississippi find yourself another country to be part of

And, here's to the judges of Mississippi
Who wear the robe of honor as they crawl into the court
They're guarding all the bastions with their phony legal
fort
Oh, justice is a stranger when the prisoners report
When the black man stands accused the trial is always
short
Oh, here's to the land you've torn out the heart of
Mississippi find yourself another country to be part of

And here's to the government of Mississippi
In the swamp of their bureaucracy they're always
bogging down
And criminals are posing as the mayors of the towns
They're hoping that no one sees the sights and hears
the sounds
And the speeches of the governor are the ravings of a
clown
Oh, here's to the land you've torn out the heart of
Mississippi find yourself another country to be part of

And here's to the laws of Mississippi
Congressmen will gather in a circus of delay
While the Constitution is drowning in an ocean of decay
Unwed mothers should be sterilized, I've even heard
them say
Yes, corruption can be classic in the Mississippi way
Oh, here's to the land you've torn out the heart of
Mississippi find yourself another country to be part of

And here's to the churches of Mississippi
Where the cross, once made of silver, now is caked
with rust
And the Sunday morning sermons pander to their lust
The fallen face of Jesus is choking in the dust
Heaven only knows in which God they can trust
Oh, here's to the land you've torn out the heart of
Mississippi find yourself another country to be part of
