Hup, two, three, four, marchin' down the street
Rollin' of the drums and the trampin' of the feet
General salutes and the mothers wave and weep
Here comes the big parade
Don't be afraid, price is paid
One more parade

Chorus:

So young, so strong, so ready for the war
So willin' to go an' die upon a foreign shore
All march together, everybody looks the same
So there is no one you can blame
Don't be ashamed, light the flame
One more parade

Listen for the sound and listen for the noise
Listen for the thunder of the marching boys
Few years ago their guns were only toys
Here comes the big parade
Don't be afraid, price is paid
One more parade

Chorus:

Medals on their coats and guns in their hands
Trained to kill as they're trained to stand
Ten thousand ears need only one command
Here comes the big parade
Don't be afraid, price is paid
One more parade

Chorus:

Cold hard stares on faces so proud
Kisses from the girls and cheers from the crowd
And the widows from the last war cry into their shrouds
Here comes the big parade
Don't be afraid, price is paid
Don't be ashamed, war's a game
World in flames
So start the parade!!
