"Losin' You"

Today I want to sleep
In your bed because
I feel so tired
This route hurts me

And please help me
Don't yell
Just take me with you
And let me feel your heat

I want to feel
Your naked body
Lysin' near me
Lovin' just me
Like in those days

When you had said to me
That I'm your miracle
That I'm your little girl
Oh please say again
That you love me

Today I feel
I have lost you
Today I feel
I have lost you

I wish I never lost you

Remembering your eyes
Your kissable lips
I need you to believe
That I wish that

It could be changed
'Cause I can't take it no more

Today I feel
I have lost you
Today I feel
I have lost you (x2)

I don't want to lose you

Baby please calm down
I don't want you
To be hurt so much

Just take my hand
And let me say
I'm sorry

Today I feel
I have lost you
Today I feel
I have lost you (x4)
