It was a sunday morning
I called and said we have to talk
I felt his hands getting cold
as we walked in the dark

I said,
I cant live this unfree
too many things I want to be
I need to go after my dream
I'm sorry, I think I have to leave

I saw it in his eyes
when something inside dies

I can't be trusted, I always leave
Don't ever fall for a girl like me
I should have told you from the start

My story's doomed to turn out wrong
You stole my power to stay strong
and then I left you with half of me

And now we're living miles apart
I've got something heavy growing in my heart
I left you to be free, but you were the best part of me
I left the best part of me

I've been re-living every conversation
at least a million times
Playing like a film on repeat every sleepless night
And there are memories of you, in everything I do
and everyone I meet, I just compare with you

I can't be trusted, I always leave
Don't ever fall for a girl like me
I should have told you from the start

My story's doomed to turn out wrong
You stole my power to stay strong
and then I left you with half of me

And now we're living miles apart

Iâ€™ve got something heavy growing in my heart
I left you to be free, but you were the best part of me
I left the best part of me

I saw it in his eyes
when something inside dies

My storyâ€™s doomed to turn out wrong
You stole my power to stay strong
and then I left you with half of me

And now weâ€™re living miles apart
Iâ€™ve got something heavy growing in my heart
I left you to be free, but you were the best part of me
I left the best part of me
