What if I change the things I say  
so it sounds better in your ears  
I can tell you exactly  
what you want to hear

What if i change the way i dress  
So it looks better from your view  
I can pout my lips to fame  
and be pretty instead of true

I've been trying to stay real  
and true and proud who I am  
All those ideals of how to look  
I've been trying not to care

But I'm still holding my breath  
I'm still watching every step  
I'm still tip-toeing away  
when I'm getting to ashamed of myself

I don't want to be your let down  
I'm scared like hell I'm not enough  
I don't to be your failure anymore

I don't want to be your let down  
I'm screaming loud without a sound  
Have to find a way to  
be the best of me  
Failure scares the hell out of me

And the music that they're liking  
says nothing about the way  
That I am disappearing  
so I'll keep it to myself

Though I'm mostly quiet  
I've got a lot to say  
but nothing seems to please you  
so I'll keep it to myself

I don't want to be your let down  
I'm scared like hell I'm not enough

I donâ€™t to be your failure anymore

I donâ€™t want to be your let down  
Iâ€™m screaming loud without a sound  
Have to find a way to  
be the best of me  
Failure scares the hell out of me

If Iâ€™m not good enough for you  
Am I not good enough for you?  
Your expectations I canâ€™t live up to, no

I just want to be someone  
To mean something to anyone  
Iâ€™ve got to hurry up to be someone

I am fading can you wake me up  
So I can be, all those things that Iâ€™ve been  
dreaming of  
Iâ€™m the fall, this is the cutting of my wings  
Oh youâ€™re killing my belief  
to be myself  
and if I canâ€™t make my own way I quit
