'Cause a ho gon be a ho, nigga that's in the game
So all you niggas that be taking them out and buying

That's less I got to do plus that bitch fed
I get her for half of everything plus some of that
smokin' head

So what the fuck? You'se a duck. Nigga spend your

See I know you just want to say you fucked my ho
But that ain't shit 'cause I ain't never been a sucker
I'll let you have that hoe, nigga I bet you I can still fuck
