Out with some friends, with some new friends
Pass a wild card, oh, I pass it up, Lord
I met a girl, she was more than exquisite
Popped a Coke, poured it in a cup
They were dancing the limbo, while dancing to calypso
Steel drums and timbales, my house gift was tamales

Mash it up, now, ooooh, brother
Keep the rythm strong before the night is done
Tear it up, now, ooooh, sister
Moon is dropping slow and oh, the night's so young

Party shifted over to....reggae

Nyabinghi drums and the djembe
Party shifted over to....reggae
Ethiopians, Maytals and Lee Perry
Nyabingi drums and the djimbe

Mash it up, now, ooooh, brother
Movin', movin', movin' on 'til the morning comes
Tear it up, now, Rita Marley, Judy and Marcia
Comes smooth through my stereo, the night is oh so young

Out with some friends, with some new friends
I pass a wild card, oh, I passed her up, Lord
Met a girl, she was more than exquisite
Popped a Coke, poured it in a cup
We were doin' the limbo, while dancing to calypso
Steel drums and timbales, my house gift was tamales
