Horn Intro

Yesterday, was a cloudy day
Why, every day, is a holiday in my mind
Some people stay mixed-up, confused
Here's my news: we gonna make some change

Strange ways, things we say, won't go away
Smiles we gave, smiles we made, will also stay
Some people come hungry for the bread
I'm hungry for a smile instead
Yeah, yeah! Yeah, yeah!
Have a good time!

Groove me baby! Yeah!
I'm feelin' so soothin'
Got to change your step to a slide

Good times and bad times, all those in-between times
Good times, bad times, all those in-between times
Good times and bad times, all those in-between times
Good times, bad times, all those in-between times

Strange ways, things we say, won't go away
Smiles we gave, smiles we made, will also stay
Some people come hungry for the bread
I'm hungry for a smile instead
Well, yeah, yeah! Yeah, yeah!
Have a good time!

Groove me baby! Yeah!
You're so soothin' wanna get _____
I got to change my step to a slide
